Good meeting!

Some quick points:

1. Does the pre-roll for the disclaimer need to run for so long? If it is on each video that plus the preroll music goes for a long time.
2. Can we do a bit more to introduce RAINN. I expect awareness of RAINN's brand to be near zero in this population.

Hi all,

Thank you for your time and your very helpful feedback on the content. I'll share it with RAINN and the creative team ASAP so we can begin to action on it.

As mentioned in the meeting, all the videos are available in the pre-read deck presented. If you'd like to provide any more feedback feel free to email me and Lizzie by noon on Monday 4/27 and we'll share it with RAINN and the creative team so we can get the next cut of the videos.

Stay safe and sane.

Best,

Johnathon
